

Would you like a **White Water Park** for WA?

Canoeing Western Australia has developed
a proposal for a **White Water Park**

But we need your help

The proposed White Water Park

- 700 metres of rapids ranging from easy to "scary"
- great for rafting, body boarding and canoeing
- open all year round and summer evenings
- include an Olympic standard international Canoe Slalom course
- host major international events
- attract large numbers of tourists
- great place for Avon Descent training

Please help our campaign by joining our

Friends of White Water Park

Friends of White Water Park's (FOWWP) goals are to

- campaign for the establishment of a White Water Park in Perth
- promote the proposed White Water Park as a very effective vehicle for the development of healthier individual and community lifestyles
- rapidly grow FOWWP membership to reflect community interest and support

For more information and registration please go to
